Social Adventures: A Summer Group Experience for Children with Autism

What?

Social Adventures is specially designed for children with autism, ages 3-4 and 5-7, who demonstrate social challenges. Children participating in this program will have the opportunity to learn appropriate social skills through a variety of interactive games, language and sensory activities in a fun, small group setting. Newly acquired skills will be put into practice through a series of community outings! Staffed by licensed Speech-Language Pathologists & Occupational Therapists.
